

Metro tips

Fare

8 UAH

A single ride including transfers between metro lines.

How to pay?

Tokens

Various quantities sold by the vending machines. The ticket booth sells no more than 1 tokens per person.

Metro fare card

Save up to 1.50 UAH per ride when you buy up to 50 rides at once. Get the card for a 15 UAH deposit at the ticket booth, it may be returned after use. You may pay for several people with one card.

Contactless payment

Pay directly at the yellow turnstile with Mastercard or Visa displaying the contactless symbol (shown above.) If you have Android Pay or Apple Pay, place your device over the reader. Regular fare, no extra fees or commissions. You may pay for several people with one card or application.

Economy fare for a limited number of day. Select this fare when loading your metro card. Unlimited monthly and half-month passes combining metro and other public transportation are sold at the ticket booth. They make financial sense if you ride the metro several times a day, every day.

How do I get to...?

✈ Boryspil Airport (KBP)

Bus  **322** (SkyBus) from Pivdennyi Railway Terminal ( **Vokzalna** → underground passage beneath railway tracks, bus stops in front of railway terminal.) Travel time: 1 hr. Fare: 80 UAH.

Bus  **322** (SkyBus) from  **Kharkivska** (bus stops before overpass.) Travel time: 30 min. Fare: 50 UAH.

✈ Kyiv (Zhuliany) Airport (IEV)

By taxi. Travel time from city center depending on traffic: 20–40 min, fare from city center: approx. 70 UAH (if ordered by phone or online.)

You may also take trolleybus  **9** from  **Ploscha Lva Tolstoho** or  **Universytet** (across the street from the metro station.) Travel time: about 1 hr in rush hour. Fare: 8 UAH.

🚆 Railway station

 **Vokzalna** for both Central (Tsentralnyi) and South (Pivdennyi) Terminals, all long-distance trains.

Metro's hours of operation

Stations open at 6am and close around midnight. Exact hours for each station are posted at the station's entrance.

How often do the trains run?

Peak hours: every 1 to 3 minutes.
Off peak: every 4 to 10 minutes. So, no need to run to catch one. Late night train schedules are posted on the platforms.

Most interesting stations

 **Zoloti Vorota**,  **Universytet** and  **Khreschatyk** are interesting architecturally, while  **Arsenalna** is the world's deepest metro station.

Is it safe?

Yes, it is safe, but take general care while riding Kyiv's metro and beware of pickpockets.
